Infocomm Media Development Authority

The Infocomm Media Development Authority (IMDA) leads Singapore's digital transformation by developing a vibrant digital economy and an inclusive digital society.

The Singapore Digital (SG Digital) Scholarship is an industry scholarship that develops the next generation of leaders for Singapore's tech and media ecosystem.

The scholarship supports both undergraduate and postgraduate programmes across a wide range of areas, including artificial

intelligence, cybersecurity, quantum technologies, digital and interactive media, film and TV, even those from overseas universities. Recipients have the flexibility to chart their own career in the industry by serving their bond in a tech- or media-related job role in Singapore.

If you aspire to be a future leader in Singapore's digital economy or media ecosystem, apply for the SG Digital Scholarship today.

Land Transport Authority

The Land Transport Authority (LTA) is driven by the vision of a people-centred land transport network that connects communities and places. Apart from charting the future of land transport through masterplans, it continually looks at innovative ways to manage traffic flow, provide reliable public transport and advocate active mobility options as it strives towards a car-lite city.

LTA is on the lookout for future leaders who are keen to

actively shape Singapore's innovative and future-ready land transport industry. LTA Scholars can look forward to opportunities to work on mega-infrastructure projects, experience multiple functions through job rotation, participate in high-level corporate committees, and play a part in management decision-making. Your career can benefit from LTA's strong network of international experts and structured developmental opportunities.

Maritime and Port Authority of Singapore

Discover unparalleled opportunities with the Maritime and Port Authority of Singapore (MPA), a driving force in shaping Singapore's global hub port and international maritime centre.

As an MPA scholar, you'll be at the forefront of port and maritime development, championing digitalisation and decarbonisation efforts both at home and at the global level.

You will get the opportunity to collaborate with industry

leaders, research agencies, and MPA's regional and international partners, to advance the interest of global maritime and drive transformation to make international shipping more efficient and sustainable.

MPA scholars have the opportunity to pursue their graduate studies locally or in Asia, Europe, the UK and the US, and gain exposure through internships and overseas exchange programmes.

Ministry of Education

Singapore Institute of Technology

As a University of Applied Learning, the Singapore Institute of Technology is renowned for its innovative, industry-focused approach to education. With close industry ties and collaboration, SIT provides a distinctive hands-on learning experience, offering applied degree programmes, some in partnership with renowned overseas universities.

The flagship SIT Scholarship recognises exceptional students for their academic excellence, robust co-curricular record and strong

leadership qualities. It aims to nurture well-rounded individuals and develop future leaders who impact society positively.

The bond-free scholarship grants SIT scholars access to valuable development opportunities and networks. Furthermore, the upcoming SIT campus within the Punggol Digital District has been designed to seamlessly integrate with the industry and community, augmenting teaching and learning with spaces that allow for stronger industry and community collaborations.

Singapore Police Force

The Singapore Police Force Scholarship (SPFS) is one of the most prestigious scholarships awarded by the Public Service Commission.

It is awarded to candidates who have shown outstanding leadership qualities, possess impeccable integrity and have a strong interest in policing work to safeguard our nation. As an SPFS scholar, you will continue your learning journey in a world-renowned

university that provides intellectually, socially and personally enriching programmes. Afterwards, you will be involved in shaping policies to address issues on public law and order and play an integral role as a guardian of homeland security. You will also acquire investigation acumen, policy conceptualisation skills, as well as command and leadership abilities.

SPH Media

Are you a curious, and persevering truth-seeker who is passionate about curating stories that impact lives? Do you have the courage to uphold professional ethics and integrity when the going gets tough?

You could give voice to the stories that need to be told. Start an exciting career with SPH Media through the SPH Media Journalism Scholarship. Upon graduation, you will join

one of the organisation's newsrooms and work alongside its teams of experienced journalists, editors, and audience specialists.

SPH Media's work is published in four languages (English, Chinese, Malay and Tamil) across digital, social, and print platforms. Many past scholars have advanced to leadership positions in the newsrooms and various parts of SPH Media.

Woodlands Health

Woodlands Health (WH) provides care for the North-Western population in Singapore.

When the Campus is fully opened, it will have about 1,000 beds in its acute and community hospital which are housed together for better integration of services, along with almost 400 beds in the long-term care tower.

The institution offers prestigious opportunities to aspiring

healthcare professionals with a passion for elevating public healthcare. The scholarships provide the pathways to shape the future of healthcare and impact the lives of Singaporeans. Beyond academic pursuits, scholars at Woodlands Health serve as catalysts for positive change in healthcare as they embark on the transformative journey of redefining the healthcare landscape.
