

## **Bachelor of Science (Honours) in Applied Computing (via the Competency-based Stackable Micro-credential Pathway)**

### **Registration Information Kit**

---

Dear Applicant,

1. The Bachelor of Science (Honours) in Applied Computing [via the Competency-based Stackable Micro-credential (CSM) Pathway] is a three-year direct honours programme (the “Programme”) offered by Singapore Institute of Technology (SIT). This Programme is designed to provide an upgrading pathway for in-employment individuals. You may wish to access the [SIT webpage](#) for more details of the Programme.
2. We thank you for your interest in the Programme. Please read through this **Information Kit** and the **SIT Applicant Guide** carefully prior to accessing the [SIT Application Portal](#) for registration. For avoidance of doubt, the URL for the **SIT Application Portal** is: <https://learner.singaporetech.edu.sg/>
3. This **Information Kit** comprises two sections:
  - a) Annex A – Key Conditions of the Programme
  - b) Annex B – Further supplementary FAQs to the **SIT Applicant Guide** on account creation, Application ID, submission of supporting documentations, etc.
4. Do note the following:
  - a) **Please ensure that payment for the registration fee is made as part of the application process.** You may refer to the following [e-payment link](#) to make payment. The payment link is also found in the [SIT Application Portal](#).
  - b) The registration fee will be \$16.35 (inclusive of GST).
  - c) **Please make a screen shot of your payment outcome to be included in the application as one of the supporting documents.** There may be delays in application processing or release of outcome if you fail to pay the registration fee.
  - d) If you encountered any payment issues (e.g., double payment), please email [Adm@SingaporeTech.edu.sg](mailto:Adm@SingaporeTech.edu.sg) citing your full name as in your application and the Application ID. Attach any supporting screenshots that may help us in our review.
5. **Please ensure you have all the following supporting documents, as indicated in Table 1, ready in softcopy before registering for the Programme.** It is advisable that
  - a) You properly label your supporting documents. If any documents in your application require further action, you will be notified via the email provided in your application submission. Please check your email regularly.

b) Scanned soft copies should be of at least 300 dpi resolution.

**Key Conditions of the Programme**

1. To gain final acceptance into the Bachelor of Science (Honours) in Applied Computing (via the CSM Pathway) and remain in the Programme as an adult learner (“Learner”) under SIT, the person must:
  - a) Accept the Letter of Offer from SIT, and
  - b) Be in employment (see para 3 of Annex A).
2. All accepted Learners will subsequently be required to sign a Letter of Undertaking from SIT to agree to abide to all of SIT Policies and Procedures.
3. The Learner will need to be employed throughout his/her candidature. The Learner will need to inform SIT if there is a change of employer or he/she is not in-employment at any time regardless of any underlying reason(s). SIT shall reserve the final right to terminate the Learner’s enrollment in the Programme.
4. Should the Learner withdraw from the Programme regardless of any underlying reasons, the Learner could opt to take the micro-credential pathway as stackable or standalone course.
