

### **SIT's Public Statement for Cessation of SIT-DigiPen (Singapore) Mechatronics Systems Programme**

The Bachelor of Engineering with Honours in Mechatronics Systems, a joint degree programme currently offered by SIT and DigiPen Institute of Technology Singapore [DigiPen (Singapore)], will take in its final cohort of students in AY2024. SIT and DigiPen (Singapore) have decided to cease the joint degree programme as part of the regular review process.

This cessation will not affect current students or alumni. SIT and DigiPen (Singapore) are committed to ensuring that the quality of teaching remains of a high standard until the final batch of students graduate in 2028. The joint degree will continue to be recognised in Singapore and beyond.
